Andrews Kurth Partner Jubilee Easo Named in The Lawyer's 2015 Hot 100

January 30, 2015

(London, UK)—Andrews Kurth is proud to announce that Partner Jubilee Easo has been named in the energy, real estate and infrastructure section of *The Lawyer's* 2015 Hot 100 list, which was formally launched on 28 January 2015. The annual Hot 100 is compiled following in-depth research and acknowledges those lawyers who are considered leaders in their field, being innovative and inspirational.

Jubilee is an international oil and gas lawyer with experience both in-house and in private practice. Her practice is focused in the oil and gas and LNG sectors, having advised state oil and gas entities, international oil and gas companies, contractors, project companies and financial institutions on a wide range of upstream and downstream acquisitions and developments, LNG development projects and LNG shipping projects. Her in-house experience has made her a valued adviser to many of her clients who desire English law and/or commercial oil & gas guidance during or after their project development. Immediately prior to joining Andrews Kurth, Jubilee was a senior in-house counsel at an FTSE 250 exploration company based in the UK where she focused on upstream exploration and project development work. She also spent six years as a Senior Associate at a leading international law firm in London.

Jubilee is recognized on The Hot 100 particularly for her significant African energy practice. During 2014 she advised Maersk Oil & Gas on its Chissonga project in Angola, lent her expertise to a US company entering the Mozambique market and its acquisition of interest in Mozambique LNG projects, and worked with a European company on the acquisition of interest in Namibia's Kudu offshore gas field.
