TozziniFreire Advogados

Since 1976, TozziniFreire has distinguished itself as a premier, full-service law firm by consistently providing legal services to domestic and international companies in a wide variety of business sectors. Over the years, we have played a major role in many of the most significant transactions in the Brazilian market, becoming one of the largest and most prestigious firms in Latin America. What has driven the firm’s growth and differentiated us in the legal industry is our obsession in delivering results for our clients. Their achievements are the foundation on which our own success relies.

Another major reason for our consistent success – and another major point of pride to everyone at TozziniFreire – is our demonstrated record as Brazil’s leading innovator when it comes to evaluating what we do and how we can do it better, improving the way we work for clients, developing and expanding our expertise, becoming more efficient and cost-effective in the way we deliver our services, treasuring our people and giving back to our profession, our community and the world around us.
