

Alfaro-Abogados is a corporate and finance law firm with strong practice in Mining, Energy, Oil and Gas, Aviation, Infrastructure, PPP, and Pharma, that provides services in a variety of fields: cross-border transactions, mergers and acquisitions, competition and antitrust, project finance, structured global finance, securitization of assets and receivables from different jurisdictions, financial leasing, corporate reorganization affecting subsidiaries in other countries, concessions, regulatory compliance, international construction projects, turn-key projects, distribution agreements, tax planning and establishing strategic alliances, among other international transactions.

Since its foundation, the firm has been providing sophisticated, high-quality advice to international and local clients.

Our lawyers' advice is based on a deep understanding of our clients' business objectives, thorough knowledge of the law and passion for legal practical solutions. We know our clients operate in an ever-changing and challenging market, and our aim is to anticipate their needs and offer creative and efficient legal solutions that will help them to mitigate risk and make the right decisions for their projects.

The globalization of the world economy demands an efficient network of advisors qualified to provide legal advice to the client on a regional and immediate basis. For that purpose, Alfaro Abogados has established a network of operating offices in the world's main financial and investor's centers.

Knowledge, experience and expediency: The basis for a cost efficient and solid legal advice in any business transaction in today's global economy.
