

For over 30 years, we have been advising local and international businesses operating in Belgium as well as a large number of public sector actors. Today, we have become one of the country's leading firms, with about 100 lawyers, of which 22 partners, working out of offices in Brussels, Antwerp and Luxembourg.

Clients appreciate our entrepreneurial and team spirit as well as the strong relationships we build with them. We believe that lawyers need to understand their clients' business to provide to-the-point, inventive legal and tax advice. We work efficiently and our fees and arrangements are transparent and clear. That is why clients regularly trust us with the most delicate and complex cases.

Our teams assist clients across a wide range of expert practice and sector areas including: Banking & Finance, Commercial, Competition, Consumer products, Corporate, Dispute Resolution, Employment, Energy, Funds, Hotels & Leisure, Insurance, Intellectual Property, Lifesciences/Pharmaceuticals, Private Clients, Private Equity, Public Law, Public Procurement & PPP, Real Estate & Construction, Tax and TMT.
