World Law Group Honors Janet Pahima with the Kemmler Award

World Law Group's Board of Directors presented Janet Pahima, a Partner at Herzog Fox & Neeman (Israel), with the Kemmler Award during **WLG | summit Rome '23** on October 28.

The most prestigious honor to be bestowed by World Law Group (WLG), the Kemmler Award was created in memory of Klaus Kemmler, one of the network's founding members. Kemmler himself had an optimistic and clear vision of the potential of WLG from its inception and made immense contributions, leading to the network's success. He is remembered for his intellect, wit, and unfailing good humor. Those who receive the Kemmler Award embody these attributes and a strong commitment to WLG. The list of its recipients is small and exceptional.

Janet has shown her dedication to WLG through her commitment as a conference delegate and Key Contact Partner for her firm since 2001, terms on WLG's Board of Directors from 2003–2007 and 2019–2021, lead role in organizing **WLG | summit '10 Jerusalem**, position as Chair of the Responsible Business Forum since 2020, and serving on the Membership Committee since January of 2023.

Janet embodies a willingness to serve as a dedicated and welcoming advocate for the network, investing her time and effort into meaningful contributions while actively promoting WLG's offerings. Her genuine interest in learning from others and sharing knowledge, along with her warm and inclusive approach to newcomers, make her an invaluable asset to the network. We thank Janet for her many years of service to World Law Group.
