World Law Group Member Firms Recognized at the 2022 IFLR Europe Awards

Two World Law Group member firms were recognized at the 2022 IFLR Europe Awards, held on May 5 at The Biltmore, London.

Deals of the Year

For the category of "M&A," [Gianni & Origoni](#) (Italy) was recognized for its work on Euronext/Borsa Italiana. Speaking on the deal, IFLR noted that the deal "had significance for Europe's capital markets and investment landscape in a truly cross-border way. Euronext's acquisition of Borsa Italiana involved highly complex financial regulatory, foreign direct investment, antitrust, corporate and separation issues, all amidst the pressures of an extremely tight timeframe and political sensitivities."

National/Jurisdictional Law Firms of the Year

[Herzog Fox & Neeman](#) won Israel Law Firm of the Year.

The IFLR Europe Awards showcase the most legally innovative cross-border transactions in the region across the past 12 months and the teams and individuals behind the deals. The awards review period was the previous calendar year, and all deals under consideration must have reached financial close in 2021.
