To: the WLG Member Firms

Date: June 25, 2021

It is with great sadness that we announce the passing on 11 June 2021 of Mr. Paiff Huang, one of this firm's founding partners. Mr. Huang was surrounded by his loving family when he passed away. A memorial service was held in Mr. Huang's honor, recently. Due to the current pandemic and safety concerns, the memorial service was not open to the public.

On 7 October 1974, Mr. Huang co-founded Formosa Transnational, Attorneys at Law with Mr. K.C. Fan, Mr. John C. Chen, and Mr. Hau-Ming Rai, with the shared goal of inspiring Taiwan's legal community to improve the quality of legal services in Taiwan, fostering a sense of justice, advocating for the rule of law, and promoting service to society. Mr. Huang was also one of the founders of the World Law Group, where he contributed greatly to the growth and success of said organization. Mr. Huang played an important role in promoting Taiwan to the world with respect to legal affairs.

With deep sorrow we say our farewells to Mr. Huang. In time, however, we will be able to fondly recall, and be comforted by, our many good memories of the times that we shared with Mr. Huang. Formosa Transnational will continue to be encouraged by Mr. Huang's motto that we strive always to perform our work with "Integrity, Diligence, and Gratitude," and never cease in our goal of ensuring that justice is served.

*I am very sorry to hear of Paiff Huang's passing. He was instrumental in the formation of World Law Group. After participating in the organizational meeting in London, he volunteered to host the first meeting of the newly formed network. His contributions will be forever remembered, as will his continued dedication to and involvement in WLG.*

Meeting in Taipei, Taiwan - 1987

Francesco Gianni, Gianni & Orioni

*I met Paiff for the first time almost 30 years ago and was immediately impressed by his very high standards both in the professional and in the ordinary life. The opportunities of working with him in legal matters have confirmed my initial impression and strengthened my deep respect of Paiff. The WLG has lost one of his founding and most valuable members and I am sure that Paiff's memory will remain strong with many of us.*

Tsuneo Sato, City-Yuwa Partners

*I had been acquainted with him for long years. I met him at the preliminary meeting of WLG which was held In London in 1987. He volunteered to host the first meeting of WLG in Taipei next year. Since then, he had been always warm and friendly to me and I was very happy when I met him. May he rest in peace.*

Tom Harrold, Miller & Martin

*Paiff was a gracious host for the very first World Law Group meeting at The Grand Hotel in Taipei. He was a loyal contributor to the success of the WLG and always greeted his many friends at the Semi-Annual Conferences with a warm congenial smile and a contagious laugh. Paiff will be greatly missed by his WLG family.*
