Join World Law Group and Kroll for a “capital markets trip around the world” during which our speakers will provide insights into the debt and equity markets, valuation multiples, and the M&A market, including a forecast of the impact current events will have on them.

Use the Register Now button above to register and add this meeting to your calendar. This will be a **Zoom Video Conference**. All participants will be muted upon entry, and we ask that you stay muted throughout the presentation. There will be an opportunity at the end to ask questions using the "raise hand" feature in Zoom. Upon joining the zoom, please consider renaming yourself so that your name and company appear (e.g. Hanna Shea - World Law Group). You can do this by finding your name in the participants list, and selecting "rename" from the dropdown next to your name.

For technical difficulties, questions, or trouble joining the meeting please email tdrayer@theworldlawgroup.com.

We look forward to seeing you online soon!
