NFTs and Brands in the Metaverse

9:00–10:00 AM [14:00 UTC]

Metaverse, NFTs, and virtual reality are buzzwords that not only shed a light on an exciting technological future, but also on the immense challenges right owners are facing in this new virtual world. How does the use of brands in the Metaverse relate to traditional brand protection strategies? In how many ways are copyrights created and affected in virtual reality? Can existing regulations be adapted to this new reality to create new legal provisions for the Metaverse in order to grant users and right owners better protection? We'll explore these questions in this webinar open to all. [Separate registration required: NFTs and Brands in the Metaverse.](#)

Be prepared to discuss the most successful decisions your firm has made in 2022, along with those that missed the mark, and what you're planning for 2023. *For members of the Member Firm Leaders Forum.*

WEDNESDAY, DECEMBER 7

Preparing to Get the Most Out of Networking Events

9:00–10:00 AM [14:00 UTC]

In-person meetings and events are back in full swing in most places around the world. Learn practical tips and tricks to prepare yourself to get the most out of networking opportunities.

Greenwashing: Avoiding Pitfalls and Complying With Regulations

10:00–11:00 AM [15:00 UTC]

During our session, we will hear from panelists about greenwashing—regulators around the world are increasing their scrutiny of sustainable business practices and the reporting of ESG credentials, and law firms are no exception to this. How can firms ensure they truthfully disclose those credentials and avoid greenwashing? What are some common pitfalls to avoid? Our speakers will discuss what the current regulations on greenwashing are in their jurisdictions and how law firms can adhere to them.

The G in ESG

8:00–9:00 PM [01:00 UTC]

A corporation's purpose, the role and makeup of its board of directors, shareholder rights, and measuring corporate performance are all critical factors in corporate governance. How does a company's understanding of these factors and the risks involved in governance decision-making impact its performance? Join WLG's Compliance Group for the third webinar in our ESG series to find out. [Separate registration required](#): [The G in ESG](#).
